FOR SALE AT 450 HORNOK AVENUE.

A SEVEN ROOM RESIDENCE FOR FIVE THOUSAND DOLLARS.

Every time we list and advertise a property for sale, we just naturally feel that we are offering some one a bargain; for to tell the truth, people are not buying real estate these days unless it is sold at a bargain price, that is to say they do not buy except at bargain prices unless the purchaser is not posted, and as a general rule it has been our experience that the person who has been keen enough to get five thousand dollars, is also keen enough to know a bargain when it is offered, and will not buy unless they at least believe they are getting a bargain. So much for the prologue, and now as to what we have to offer in this bargain that is mentioned above, with the dwelling two years old.

7 rooms. Finished attic over entire house. Basement under the entire house. Two laundry tubs in this basement. Instantaneous heater giving hot water instantly any time of day or night to any outlet. Large 10 foot front porch on front and side of house. Vestibule entrance to keep out the cold wind. Large hall. Living room across entire front of house, with rustic brick mantel. 3 French doors in the house. Dining room leading from hall with another very attractive mantel. Kitchen large and airy, with three windows, back door, and back porch, swinging door from kitchen to dining room, and dining room has three windows on one side, leaving plenty of room for furniture. Up stairs has four bedrooms, and closets galore. Plenty of closet room. The bath is tiled, and has exceptionally good fixtures. The finish of the house is in oak throughout. Up stairs and down. All doors and floors are selected red oak, and we know for each piece was selected and graded by the writer, and the lighting fixtures are combination gas and electric, and far above the average, most of them are electric, even in the basement there are four electric lights, and in the attic the same number, all with push buttons, and a three way wiring system. The oak finish is natural and to those who are able to appreciate such art in the selection of natural grain red oak is truly a pleasure to behold. The roof is No. 1 Bangor slate. The house is well constructed, the siding being Hoyle's Patent, with a good grade of lat paper between the siding. There is a walk right to the front door, and it is not saying too much to make the prediction that Hornok Avenue will be paved next year. The location is within five minutes walk from the Empire National Bank, and right at the New High School. The neighbors are absolutely the best, the house being built on the third lot from the northwest corner of Seventh street and Hornok Avenue. There is an alley in the rear of the lot, and the lot has a good rich garden already fenced and in a high state of cultivation, and the terms are \$1,000 cash and the other four thousand will be arranged to suit your convenience. The owner of this property is moving to Baltimore the first of the year, and in the meantime who some one is going to get a bargain. Investigate all the houses for sale in this immediate locality, and get their rock bottom cash prices, and still this property you will find surpasses them all, and be considered, and the terms on this property is exceedingly liberal. FOR SALE—5 shares Trust Company and 5 shares Empire Laundry Co.
